**RSVP 231.3979**

**Before**

**After**

If you or someone you know has had or will be needing knee replacement surgery join us for an informational evening on **KNEE REPLACEMENTS**. Get answers to those frequently asked questions such as:

- What is a Total Knee Replacement?**
- How long does a typical knee implant last?**
- What are the possible complications or risks?**
- When should I have this type of surgery?**
- What will rehabilitation consist of?**
- Where will I go after discharge?**
- Will I need help at home after surgery?**
- How long until I can drive?**

**SPONSORED BY:**

**KORT**  
**The Best In Rehab.**

**A Physical Therapist will be on hand to answer any rehab questions you may have.**
