

KORT Now Offers Patient Financing Through CareCredit

With CareCredit you have a choice of no interest or low interest payment plans (subject to credit approval and if paid within the promotional period). You can use CareCredit to pay for co-payments and treatment not covered by insurance.

CareCredit helps you manage your patient responsibility amounts by allowing you to choose the payment amount and/or payment timeframe that works best for you and your budget.

To estimate monthly payments for treatment fees, visit CareCredit's online payment calculator at www.carecredit.com.

Applying for CareCredit is quick and easy. Simply choose the option you prefer.
